When Two Worlds Collide

Exercise and Relaxation are not typically found in the same sentence. However, that is exactly what you'll get with the all new Redesigned Malibu Swim Spa.

Relax or Entertain guests ▲ with seating for 11.

Now your family can get the exercise they need to stay healthy and fit, without driving to an expensive spa. Plus you'll enjoy the extra benefit of having your own pool & party spa to relax in any time.

World Class Engineering Built Into Every Swim Spa

Available in Cameo or Sterling Silver only.
